IMPORTANT NOTICE: The 2008 health care rates are effective July 1, 2008. Prior communications indicated that the Open Enrollment for uniformed police and fire retirees would occur in June 2008. This notice is to inform you that the 2008 Open Enrollment will be delayed an additional sixty (60) days due to pending litigation. We sincerely regret any inconveniences caused by this delay. Again, you are reminded to place your 2008 Health Care Plan Options booklet in a secure location with other important documents. This is the only copy that will be mailed to you, and you may need to refer to it when you make your open enrollment selection. You will receive sufficient advance notice when the 2008 open enrollment is scheduled.
