If you currently have a dependent who is or will be 19 years or older by the end of the year (other than a spouse) on your medical or dental plans, you must verify their eligibility for continued coverage by submitting: 1) a Medical-Dental Dependent Verification form, 2) a 2008 Federal Income Tax Transcript, 3) a copy of the dependent's social security card, and 4) proof that the dependent is a full-time student in an accredited school. A Medical-Dental Dependent Verification form will be mailed to your address on file. If the required documentation is not received by November 16th, the dependent's coverage will end on 12-31-09.
